MEMORANDUM FOR THE PRESIDENT

**Subject: Possible Summit Meeting of
Western Powers**

I am attaching Secretary Herter's thoughts on the advisability of a Summit meeting of the four Western Powers to arrive at a common position at the highest level in the face of the Soviet threat. In view of the reasonable nature of Macmillan's reply to your letter, I would think there is less urgency on this subject and that it might be put aside for fuller discussion after Secretary Herter's return to Washington.
